

Average rooftop solar storage price per 50kWh in Ireland

How much do solar panels cost in Ireland?

The average cost of solar panels in Ireland varies based on the system size, panel type, and installation factors. Typically, a residential solar PV system ranges from EUR6,000 to EUR13,000, including installation. This range covers systems from 2kW to 6kW, the most common residential property size.

How long do solar panels last in Ireland?

It typically takes around 5-6 years to recoup the cost of solar panels in Ireland. After that, you can enjoy free electricity for the remaining lifespan of your panels. Most solar panels come with a 25-year warranty, so you should be getting renewable energy from your roof for at least that long.

How much does a 2KW Solar System cost in Ireland?

A 2kW solar PV system in Ireland costs approximately EUR4,000 to EUR6,000, including installation. This price may vary depending on the type of panels, installation complexity, and additional equipment needed. How much does a 5kW solar system cost in Ireland?

Are solar panels a good investment in Ireland?

Increased home value: Properties with solar panels are more attractive to buyers. Sell excess energy: Homeowners can now sell surplus solar electricity back to the grid. With government grants, reduced energy costs, and low maintenance requirements, solar panels are a smart investment for both homeowners and businesses in Ireland.

How many solar panels do I need in Ireland?

The number of panels you need depends on your household's energy consumption and the panels' efficiency. A typical Irish home may require a 4kW to 6kW solar system, usually 12 to 20 panels. How much is a 2kW solar panel in Ireland?

How much does a solar grant cost in Ireland?

The grant can reduce the cost of solar panels in Ireland by 25% or even more, and so it's a gamechanger for a typical family looking to go solar. In 2024, the maximum solar grant amount is EUR1,800, but that will be going down by EUR300 to EUR1,500 at the start of 2025. Find out more in our Irish solar grants guide...
