

# Enterprise ESS system project financing options in Philippines 2026

Will 2026 budget exceed 2025 budget appropriations?

The DBM had said this was due to numerous PAPs being eagerly pushed by agencies. As such, the 2026 budget proposal is expected to exceed 2025's PHP6.326-trillion appropriations and reach a new record high.

What are the 2026 budget priorities?

Based on the 2026 budget priorities framework brief published early June, infrastructure development is the government's first priority in the list. It includes investments in active transport, integrated water resources, agriculture and healthcare facilities, and digital connectivity.

Did Duterte sign blank pages in the 2026 budget?

As such, the 2026 budget proposal is expected to exceed 2025's PHP6.326-trillion appropriations and reach a new record high. It can be recalled that former President Rodrigo Duterte alleged that President Ferdinand Marcos Jr. signed blank pages in the proposed 2025 national budget, likening it to a blank check. The DBM later on denied the claim.

Do SMEs need continuous project funding?

From the ideation stage to the takeoff stage, all small and medium enterprises (SMEs) need continuous project funding to maintain and eventually achieve profitability. Depending on the growth stage of your business, you can be eligible for one or two financing sources.

How much is the budget for 2026?

As of May, agency budget proposals for 2026 have already ballooned to around PHP11 trillion, surpassing this year's PHP9.2-trillion worth of funding requests. The DBM had said this was due to numerous PAPs being eagerly pushed by agencies.
