

Expected ROI of ESS container project in Tanzania 2025

How much money will Tanzania Ports Authority make in 2025/26?

Dar es Salaam. The government has set an ambitious revenue target of Sh 1.38 trillion from Tanzania Ports Authority (TPA) operations in the 2025/26 financial year as it rolls out a sweeping expansion and modernization strategy across the country's seaports and inland waterways.

Why is Europe investing in the Tanzania Trade & transport improvement project?

The European Union, through its Global Gateway strategy, is investing in the Tanzania Trade and Transport Improvement Project, set to launch in 2025. With EUR 15 million in funding, the project will enhance the Port of Dar es Salaam's efficiency, reduce delays, and improve trade facilitation. This

How long does a container ship take to arrive in Dar es Salaam?

The waiting time for container ships specifically was reported at nine days. The report also shows that Dar es Salaam Port handled a total of 978,649 TEUs in 2023, translating to an average monthly traffic of 81,554 TEUs, and a total traffic in 2022 reaching 885,478 TEUs.

How long does it take for a container to arrive in Tanzania?

According to the Tanzanian government, vessel waiting times have been slashed by 85%, dropping from an average of 46 days in May to just seven days by September 2024. Container throughput has surged, reaching record levels of 27,000 Twenty-Foot Equivalent Units (TEUs) per month--far exceeding the previous peak of 15,000 TEUs.

How many TEUs does a container have a month?

Container throughput has surged, reaching record levels of 27,000 Twenty-Foot Equivalent Units (TEUs) per month--far exceeding the previous peak of 15,000 TEUs. However, challenges remain. Operational bottlenecks, customs delays, and inefficiencies still hinder businesses, particularly those dependent on quick turnarounds.
