

Home energy storage product catalog english version

What is energy storage system products list?

Energy Storage System Products List covers all Smart String ESS products, including LUNA2000, STS-6000K, JUPITER-9000K, Management System and other accessories product series.

What is a home battery storage system?

Home battery storage systems consist of a power conversion system (inverter) combined with lithium-ion batteries and associated electrical control, protection and distribution devices. xStorage Home combines power electronics from global power management leader Eaton with new or used lithium-ion batteries from Nissan LEAF electric vehicles.

How can xstorage home save on energy bills?

xStorage Home can save on energy bills by using more solar and harvesting cheap off-peak electricity. xStorage Home puts you in control of your energy, either maximising self-generated solar power, or choosing when to charge from the grid based on variable pricing tariffs.

Energy Storage System Products List covers all Smart String ESS products, including LUNA2000, STS-6000K, JUPITER-9000K, Management System and other accessories product series.
