

Residential ESS cost breakdown in Portugal 2025

How much do utilities cost in Portugal?

The monthly cost of utilities in Portugal will vary by the size of the dwelling and the number of people living in the space. Electricity or gas, water, and garbage disposal for one person can run between \$85 to \$95 in a small apartment, while a couple living in a larger space can expect to pay between \$130 to \$140.

How much does a construction project cost in Portugal?

For a EUR400,000 construction project, architectural fees range from EUR20,000-EUR60,000. This investment ensures code compliance, optimizes space utilization, and creates homes suited to Portugal's climate and lifestyle. Engaging a dedicated project manager proves essential, particularly for expats managing construction remotely:

How much does it cost to build a house in Portugal?

Construction costs in 2025 range from EUR1,314 to EUR3,500 per square meter, with dramatic regional variations that can save you tens of thousands of euros. Labor shortages have pushed wages up by 8.1% annually, fundamentally reshaping the construction landscape. Understanding these dynamics is crucial for expats navigating Portugal's building market.

How much does a two bedroom apartment cost in Portugal?

In Lisbon, prices start around \$500,000 for a modern, two-bedroom apartment near the city center. Settle easily into Portugal's Algarve, where prices for a two-bedroom, modern apartment in the town of Tavira start around \$280,000, while a semi-detached house would go for \$400,000.

How much does it cost to rent a house in Portugal?

Outside Lisbon's Center: Around EUR800 to EUR1,400 per month. Porto (Central): EUR800-EUR1,500 for a T1. Braga, Coimbra, & Other Cities: EUR600-EUR800 in central areas. Landlords often require 2-5 months of rent upfront for foreigners. This can be a massive shock if you haven't budgeted for it. Can you find a place under EUR500?
